Teacher: Chris Taylor

The Men's Class is a fellowship of men devoted to praying for one another and journeying together as we strive to live out Biblically based authentic manhood. *The class is open to all men on an ongoing basis* – its makeup shifts from session to session as men join and depart depending on their season of life and the urging of the Lord. During this next session we'll study of the book of Philippians – the "Joyful Letter" – to learn important truths about perspective when balancing life's circumstances against the love of our almighty God. We invite any man who longs for a deeper and richer walk with God to join us!

▶ The Death, Burial, and the Resurrection of Jesus of Nazareth, and the Providence of God

Teacher: Kelly Dunn

The most incomprehensible event in the history of the world took place one Friday afternoon more than 2,000 years ago, the God-Man Jesus of Nazareth was falsely accused, tortured, humiliated and nailed to a Roman cross, an instrument for putting the dregs of society to death. Without this event the whole of mankind would be banished from presence of God forever, only to suffer beyond imagination. The class will consider events that God planned from eternity past to secure a way for His people to receive pardon for sins and to forever to be in the presence of Almighty God.

Room: 217-218

▶ The Westminster Confession of Faith

Teachers: Matt Martinie, Mike Brink, Peter Marshall

What are the essentials of the Christian faith? What do we believe as Christians, as evangelicals, and as Presbyterians? Does it matter anymore what we believe in a postmodern culture that exalts relativism? Using our Westminster Confession of Faith as our guide, we'll dig into the Word of God to discover what the Lord would have us believe, confess, and defend. Please join us as we undertake a serious study of our Christian faith.
