

## ▶ The Men's Class – Making a Difference

**Teacher:** Chris Taylor

The Men's Class is a fellowship of men devoted to praying for one another and journeying together as we strive to live out Biblically based authentic manhood. *The class is open to all men on an ongoing basis* – its makeup shifts from session to session as men join and depart depending on their season of life and the urging of the Lord. During this next session we'll study several competing & diverse worldviews and value systems, and discern how we – as Christian men – can use our Biblical perspective to impact this fallen world with our faith. We invite any man who longs for a deeper and richer walk with God to join us!

**Room:** 221

*\* This class is for men only so that we can address the unique issues facing Christian men today by sharing in an open and secure environment.*

## ▶ Pray Always

**Teacher:** Mark Lancaster

During the Sunday School hour, we will gather to talk to the Lord. There will be a short lesson or scripture reading, then we will pray for what anyone would like to bring. Whether you pray out loud or to yourself, you will find others who believe that praying together and praying regularly are important.

**Room:** 219

## ▶ The Letters of John

**Teacher:** Kelly Dunn

The Apostle John's first epistle has brought encouragement and conviction, understanding and confidence to followers of the Lord Jesus Christ for twenty centuries. We 21<sup>st</sup> Century Christians often prefer to view our lives through rose-colored glasses. John's first letter doesn't allow for that, but rather tells us the truth about salvation from sin and fellowship with God about walking in the light and the holiness of God, about the cleansing blood of Jesus Christ and His Second Coming. Careful, prayerful contemplation of these themes revolutionizes believers through and through.

**Room:** 217-218

## ▶ The Second Epistle to the Corinthians

**Teachers:** Mike Brink & Matt Martinie

The Apostle Paul wrote this letter to the church at Corinth to combat the false teachers in its midst, charlatans who denied Paul's apostleship and his message. He calls out these false teachers as instruments of Satan who "masquerades as an angel of light", and stresses his own weakness and sufferings for Christ who fulfilled the promises of God in His own weakness. Please join us as we study this letter which is so relevant to the church today.

**Room:** Fellowship Hall

## ▶ Go and Do Likewise

**Teacher:** Beth Armstrong

We've either read or heard the Parable of the Good Samaritan multiple times. Jesus concludes His story with the words, "Go and do likewise." We all agree with Jesus, but are we really doing what He said? In this class, we'll take a look at what Jesus did, what He taught, how He lived...and how to move beyond simply agreeing with Him to actually doing what He said to do.

**Room:** Reception Room

## ▶ College and Career

**Teacher:** Derek Williams

The college and career class will be continuing a look at OT and NT connections as well as wrapping up the book "To be Told" by Dr. Dan Allender. We will also be exploring as a class where to go next. Come and be a part of the story!
